3 War Criminals Remain in U.S.

By Drew Pearson

LATELY, THE world must have grown weary of seeing Hitler captured by the 10th anniversary of the ending of a war that killed 5 million Jews and the 10th anniversary of the founding of a Jewish state by the Jews who survived.

Probably no Jew-law man fully grasps the magnitude of a tragedy that wiped out one-third of the Jews. A comparable tragedy would be murder of 100 million Catholics, or 45 million of the Protestants living at that time.

The Jewish people in each of the 100 countries of the world are now being persecuted.

Under the German war criminals of the Third Reich, the Jewish people in each of the 100 countries of the world are now being persecuted. The Jewish people in each of the 100 countries of the world are now being persecuted. The Jewish people in each of the 100 countries of the world are now being persecuted.

When I quoted this, my name as being written, about the Jewish people in each of the 100 countries of the world are now being persecuted.
